

Welcome,

Treat yourself to pure indulgence in a sanctuary of peace and tranquility and let our experienced spa therapists surrender your mind, body and soul to a deep sense of wellbeing.

How to Spa

For your comfort, we will provide you with a luxurious robe, towels and all amenities required for use during your visit. We advise that you bring swimwear for spa treatments. Dark swimwear is advised for the Razul.

Our Spa facilities include a relaxation room, hydrotherapy pool, crystal steam room, tropical showers, razul mud chamber together with seven treatment rooms and an onsite hair, beauty and nail bar.

The minimum age requirement for access to the Spa and to experience treatments is 16 years. When availing of a treatment, we encourage you to arrive at least 15 minutes prior to your treatment.

To avoid disappointment, it is our recommendation that you pre-book your treatments in advance. Please let us know at the time of booking if you have any special requirements.

Facial Treatments

We offer a vast range of facial and advanced facial treatments which begin with a detailed consultation and an in-depth skin analysis.

We will then tailor your facial to include a cleanse, an exfoliation, a treatment specific massage, a mask and an intensive serum. All products are from professional spa brand, Germaine de Capuccini.

The hands of our highly trained therapists use a combination of massage techniques to reduce the signs of aging. These targeted facial treatments will gently but firmly take on the challenges of sensitivity, oiliness and dullness for a healthier more vibrant complexion.
